Warranty

Server Products equipment is backed by a two-year limited warranty against defects in materials and workmanship. For a copy of our complete warranty statement, see our website or contact us.

Bid Description

The Solution™ Center is constructed of a brushed finish stainless steel base. The front section is furnished with a Server Solution™ polycarbonate pump. Pump vessel lid is polished stainless steel. The back section includes a Serve-A-Cup™ soufflé cup dispenser which is constructed of a polypropylene cup tube. Complete with a two-year warranty.

The Solution™ pump dispenses from a #10 can, Stainless Steel Jar #94009, 1-gallon (3.8 L) jar or #10 pouch with support (containers not included). Polycarbonate pump parts are dishwasher safe and replaceable. Maximum stroke yields 1-ounce (30 mL) with gauging collars supplied to reduce the yield in ¼-ounce (7 mL) increments. NSF listed.

The Serve-A-Cup™ includes cup guides and strippers to dispense ¾- and 1-ounce (22-, 30 mL) paper or plastic soufflé cups one-at-a-time. Capacity is approximately 100 paper cups. This model can be adapted to hold six soufflé cup sizes: ¾-, 1-, 1¼-, 1½-, 2-, and 2½-ounces (22-, 30-, 37-, 45-, 60-, and 75-mL). Contact our customer service department for details.

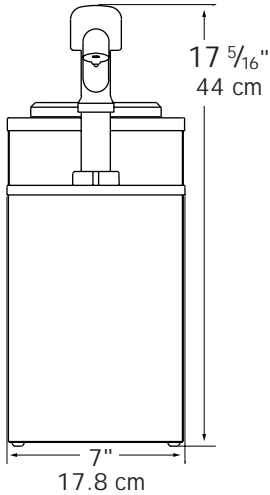

Standard Features

- Polycarbonate pump is dishwasher safe for easy clean up
- Three discharge fittings to accommodate various food products
- Pump a wide range of products from syrups to some relishes
- Easy-to-adjust portion control in ¼-ounce (7 mL) increments
- Two cleaning brushes included for pump maintenance
- One-at-a-time cup dispensing reduces waste and contamination
- Dispenses ¾- and 1-ounce (22-, 30 mL) paper or plastic cups
- Easily dispense approximately 100 paper soufflé cups while keeping your serving area neat and clean

Solution™ Center Accessories

- Spout-side cleaning brush #85317
- Cylinder-side cleaning brush #85318
