

Bread Slicer

BMGF001-6 Gravity Feed

Great for all types of soft crust breads. Increase your bread sales by offering sliced bread. Many bakeries have more than one machine offering different slice thicknesses to retail and wholesale clients.

FEATURES :

- * Gravity feed chute holds multiple loaves.
- * Last loaf pusher to keep hands away from cutting blades.
- * Bagging scoop to bag bread with ease.
- * Premium quality blades.
- * Plug 'n Go electrical™, just plug it in and go to work!
- * 110V, 6 Amps
- * **Models:** (Choose slice thickness when ordering)

- BMGF-001 - 7/16"
- BMGF-002 - 1/2"
- BMGF-003 - 9/16"
- BMGF-004 - 5/8"
