

epoca

A technologically innovative product, combining electronics with traditional components for higher performance

Versions

DE2 (automatic dosage control)
S2 (manual dosage control)

E1 (automatic dosage control)
S1 (manual dosage control)
S1-TANK (manual dosage control)

All models are available in orange or charcoal grey color

epoca

Groups	Boiler Size (liters)	Voltage/ Amps	Element (Watts)	Colors	Weight (lbs)	Width (A) in	Depth (C) in	Height (H) in
1	3.9	110/15	1600	Orange; Charcoal-Grey	75	15"	22"	19"
2	11	220/20	4000	Orange; Charcoal-Grey	121	31"	22"	19"

FEATURES

EPOCA DE2, S2

Independent heat exchangers

Built-in volumetric pump

Pressure gauge control

Innovative automatic water level control

Water tank electronic temperature control

Low-voltage operation control

Machine body is now rust-proof and scratch-proof and age-resistant. Base and sides made of HDPE and ABS Plastics utilizing a tubular steel frame

Stainless steel work surface and cup storage

EPOCA E1, S1, S1-TANK

Built-in volumetric pump (S1-TANK model uses a vibration pump)

Pressure gauge control

Innovative automatic water level control

Machine body is now rust-proof and scratch-proof and age-resistant. Base and sides made of HDPE and ABS Plastics utilizing a tubular steel frame

Stainless steel work surface and cup storage
