

# FLAV-R-SAVOR® LARGE CAPACITY MERCHANDISING CABINETS

Models WFST-1X, WFST-2X

The Hatco large capacity Flav-R-Savor Heated and Humidified Merchandising Cabinet holds more product at proper serving temperature than standard size models. Prepare food in advance of peak periods and place product straight from the oven into the full-view cabinets to increase impulse sales. Temperatures range from 80° to 190°F (27° to 88°C).

## FLEXIBILITY

Available with a 4-shelf stationary rack, Flav-R-Savor utilizes controlled moisturized heat to create a "blanket" effect around the food to maintain quality and proper serving temperatures.

Model WFST-1X features a chrome-plated 4-shelf multi-purpose stationary wire rack capable of holding standard sheet pans 18" x 26" (457 x 660 mm). This flexible rack allows the operator to customize the Flav-R-Savor to fit multiple foodservice uses with slant or horizontal shelves. The WFST-2X has an additional set of French-style doors on the customer side of the unit for easy pass-thru convenience. Optional self-closing doors are available for self-serve applications.

## QUALITY

The following features assure the finest performance for years to come:

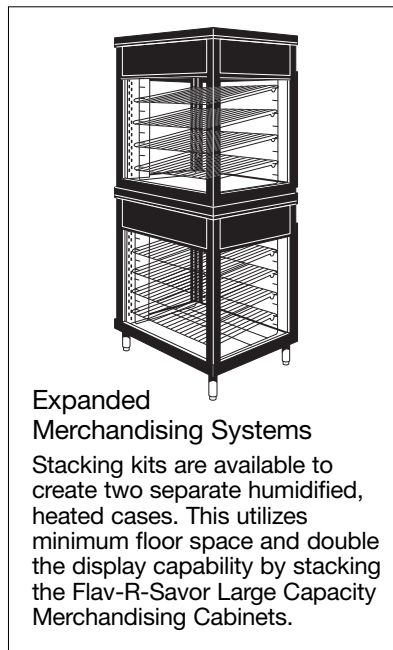

- Controlled moisturized heat creates a "blanket" effect around the food in the WFST models.
- Tempered glass doors and side panels provide maximum heat retention and allow for full cabinet display.
- Maintains proper serving temperature and keeps food moist and tender.
- Shatter-resistant incandescent lights enhance product displays while safeguarding food products from bulb breakage.
- Available in black or clear anodized finish with French-style doors and 6' (1829 mm) cord and plug.
- Optional stacking kit, self-closing sliding or French doors, and custom graphic decals.

WFST-1X with accessory sheet pans

WFST-2X with optional Designer color and sliding doors

## Expanded Merchandising Systems

Stacking kits are available to create two separate humidified, heated cases. This utilizes minimum floor space and double the display capability by stacking the Flav-R-Savor Large Capacity Merchandising Cabinets.

## Custom Food Decals

Eye-catching food decals for the side panels. Maximum 3 decals per unit.

METAL SHEATHED AIR HEATING ELEMENTS  
GUARANTEED AGAINST BURNOUT AND BREAKAGE  
FOR TWO YEARS.
