# Heated Display Cases

## **DCH-300** **Mfg. #9500540**

The Heated Display Cabinet allows full visibility for all food items.

- **Capacity**  
Three 2½" (63.5 mm) deep full-size steam table.
- **Water Capacity**  
Two water trays at 5 quarts (4.7 liters) each.
- **Electrical**  
120 VAC, 1800 watts, 15.5 amps, 50/60 Hz  
20 amp plug required. 6 foot (1.83 meters) grounded power cord supplied.
- **Temperature Range:** 150°F - 165°F (66°C - 74°C)

## **DCH-320** **Mfg. #9500550**

- **Electrical**  
120 VAC, 1800 watts, 15 amps, 60 Hz, single phase. 20 amp plug required. 6 foot (1.83 meters) grounded power cord supplied. NEMA #5-20P
- **Temperature Range**  
100°F - 165°F (38°C - 74°C). Recommended for non-potentially hazardous food: pretzel & bread products.  
*\*Pans, adapters or transparencies must be purchased separately.*

**DCH-200**  
**Mfg. #9500520**

The Heated Display Cabinet allows full visibility for all food items.

- **Capacity**  
Two 2½" (63.5 mm) deep full-size steam table pans.
- **Water Capacity**  
Two water trays at 4 quarts (3.8 liters) each
- **Electrical**  
120 VAC, 1800 watts, 15 amps, 60 Hz, single phase. 20 amp plug required. 6 foot (1.83 meters) grounded power cord supplied. NEMA #5-20P
- **Temperature Range:** 150°F - 165°F (66°C - 74°C)

**DCH-220**  
**Mfg. #9500530**

Recommended for non-potentially hazardous food: pretzel & bread products.

- **Electrical**  
120 VAC, 1800 watts, 15 amps, 60 Hz, single phase. 20 amp plug required. 6 foot (1.83 meters) grounded power cord supplied. NEMA #5-20P  
Temperature Range: 100°F - 165°F (38°C - 74°C)  
*\*Pans, adapters or transparencies must be purchased separately.*

**DCH-100**  
**Mfg. #9500500**

The Heated Display Cabinet allows full visibility for all food items.

- **Capacity**  
One 2½" (63.5 mm) deep, full-size steam table pan.
- **Water Capacity**  
One water tray at 4 quarts (3.8 liters)
- **Electrical**  
120 VAC, 1550 watts, 12.9 amps, 50/60 Hz, single phase. 15 amp plug required. 6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P
- **Temperature Range**  
150°F - 165°F (66°C - 74°C)

**DCH-120**  
**Mfg. #9500510**

Recommended for non-potentially hazardous food: pretzel & bread products.

- **Electrical**  
120 VAC, 1550 watts, 12.9 amps, 50/60 Hz, single phase. 15 amp plug required. 6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P
- **Temperature Range**  
100°F - 165°F (38°C - 74°C)

**Mfg. #213K104** Full size pans for model DCH-200/220 2 1/2" (63.5 mm) deep qty. 2

**Mfg. #213K105** Full size pans for model DCH-300/320 2 1/2" (63.5 mm) deep qty. 3

**Mfg. #002K854** Full size pan for models DCH-100 & 120 2 1/2" (63.5 mm) deep qty. 1

## Pan Adaptors - Wire Racks

**Mfg. #9020469** Wire rack for model DCH-300/320. This enables for two levels of display.

**Mfg. #9020459** Wire rack for model DCH-200/220. This enables for two levels of display.

## Trivets and Pans for PBD Vertical Display Cabinet

### Trivet

**Mfg. #080K299**

Set of three.

### Pan

**Mfg. #213K155**

Set of three.

# Warmer Drawers

## **WD-35A** **Mfg. #9400120**

Heated, thermostatically controlled warming drawer with water tray for moisture. Designed to be used separately, stacked, or with HDC-35A or HDC-50A.

### ■ **Capacity**

Two 4" (100 mm) deep two-thirds size steam table pan. Holds 50-60 standard hot dog buns.

### ■ **Electrical**

120 VAC, 1400 watts, 11.6 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P

## **WD-35A** **Mfg. #9400122**

### ■ **Electrical**

230 VAC, 1400-1666 watts, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
CEE 7/7

## **WD-21A** **Mfg. #9400110**

Heated, thermostatically controlled warming drawer with water tray for moisture. Designed to be used separately, stacked, or with HDC-21A or HDC-30A.

### ■ **Capacity**

One 4" (100 mm) deep full-size steam table pan. Holds 40-50 standard hot dog buns.

### ■ **Electrical**

120 VAC, 1000 watts, 8.3 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P

## **WD-21A** **Mfg. #9400112**

### ■ **Electrical**

230 VAC, 1000-1190 watts, 2.2 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
CEE 7/7

## **WD-20** **Mfg. #9400100**

Heated, thermostatically controlled warming drawer with water tray for moisture. Designed to be used separately, stacked, or with HDC-20.

### ■ **Capacity**

Holds up to 40 standard hot dog buns.

### ■ **Electrical**

120 VAC, 500 watts, 4.1 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P

## **WD-20** **Mfg. #9400102**

### ■ **Electrical**

230 VAC, 458-545 watts, 2.1 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
CEE 7/7

# Pizza Display Case

## **PZD-414** **Mfg. #9500200**

Pizza display case merchandiser hold up to four 14" (356 mm) pizzas, the rotating racks hold standard size pizza trays. Supplied with a water tray to create moisture while calrod heaters maintain an ideal serving temperature.

- **Capacity**  
Four 14" (356 mm) diameter pizzas.
- **Electrical**  
120 VAC, 800 watts, 6.7 amps, 50/60 Hz, single phase.  
6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P

## **PZD-414** **Mfg. #9500202**

- **Electrical**  
230 VAC, 800 watts, 3.5 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
CEE 7/7

## **PZD-416** **Mfg. #9500203**

Pizza display case merchandiser hold up to four 16" (406 mm) pizzas, the rotating racks hold standard size pizza trays. Supplied with a water tray to create moisture while calrod heaters maintain an ideal serving temperature.

- **Capacity**  
Four 16" (406 mm) diameter pizzas.
- **Electrical**  
120 VAC, 950 watts, 7.9 amps, 50/60 Hz, single phase.  
6 foot (1.83 meters) grounded power cord supplied. NEMA #5-15P  
*\*Pans must be purchased separately.*

# Pizza Station

## **PS-314**

### **Mfg. #9050720**

Combines a large capacity pizza oven with a rotating display merchandiser.

#### ■ **Capacity**

Oven section can cook one 14" (356 mm) pizza at a time. Display section can hold three 14" (356 mm) pizzas.

#### ■ **Electrical**

120 VAC, 1800 watts, 15 amps, 60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
NEMA #5-15P

## **PS-314**

### **Mfg. #9050710**

#### ■ **Electrical**

230 VAC, 1800 watts, 7.8 amps, 50/60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
CEE 7/7

## **PS-316**

### **Mfg. #9500250**

Combines a large capacity pizza oven with a rotating display merchandiser.

#### ■ **Capacity**

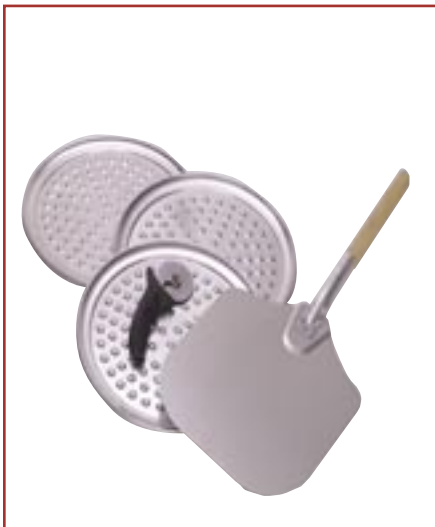

Oven section can cook one 16" (406 mm) pizza at a time. Display section can hold three 16" (406 mm) pizzas.

#### ■ **Electrical**

120 VAC, 1800 watts, 15 amps, 60 Hz  
6 foot (1.83 meters) grounded power cord supplied.  
NEMA #5-15P

*\*Pizza station accessories must be purchased separately.*

# Pizza Station Accessories
