

Hot Plates

Powerful, oversized NEMCO burners make an attractive choice for demonstration cooking. Solid-top, cast-iron French burners heat up quickly and evenly, with six heat settings that can take you from a simmer to a boil in minutes. Horizontal and vertical configurations with one-, two- and four-burner setups fit most spaces. Multiple burners offer heating versatility. Right burner on the horizontal is a 1500-watt cooker, while the 500-watt left burner is perfect for warming. Vertical units have the cooker in the front. Durable, stainless steel construction makes cleanup quick and easy. All models equipped with adjustable feet for added convenience.

Single Burners

6310-1 Single Burner

12" x 12" x 4 1/2"

120 volts, 1500 watts, 12.5 amps

6310-1-240 Single Burner

12" x 12" x 4 1/2"

208/240 volts, 1500/2000 watts, 7.2/8.3 amps

Double Burners

6310-2 Horizontal Double Burner

24" x 12" x 4 1/2"

120 volts, 2000 watts, 16.7 amps

6310-2-240 Horizontal Double Burner

24" x 12" x 4 1/2"

208/240 volts, 2250/3000 watts, 10.8/12.5 amps

6310-3 Horizontal Double Burner

24" x 12" x 4 1/2"

120 volts, 2000 watts, 16.7 amps

6310-3-240 Vertical Double Burner

24" x 12" x 4 1/2"

208/240 volts, 2250/3000 watts, 10.8/12.5 amps

6311-1-240 Raised Vertical Double Burner

12" x 24" x 14 1/2"

208/240 volts, 2250/3000 watts, 7.2/ 8.3 amps

Four Burners

Suggested Uses:

A popular, versatile choice for tableside cooking and serving lines, NEMCO hot plates are perfect for sautéed and pan fried foods such as omelets, crepes and stir fry. Also ideal for cooking and holding soups, sauces and stews.

PRODUCT WARRANTY

Nemco Food Equipment, to the original user, warrants their products (other than blades and light bulbs) to be free of electrical and mechanical defects in material and workmanship under normal use for twelve (12) months from the date of purchase. If Nemco determines a product to be defective, repair or replacement will be at Nemco's discretion. This warranty does not cover damages caused by accident, misuse, negligence, current or voltage other than stated on the appliance, fire, flood or other casualty. Any alteration to the appliance or unauthorized repair voids this warranty.

Seller shall be responsible only for repairs or replacements of defective parts

performed by Seller's authorized service personnel. Authorized service agencies are located in principal cities throughout the contiguous United States, Alaska and Hawaii.

The foregoing warranty is exclusive and in lieu of all other warranties, expressed or implied. There are no implied warranties of merchantability or of fitness for a particular purpose. The foregoing shall be Seller's sole and exclusive obligation and Buyer's sale and exclusive remedy for any action including breach of contract or negligence. In no event shall Seller be liable for a sum in excess of the purchase price of the item. Seller shall not be liable for any prospective or lost profits of Buyer.

PRODUCT SERVICE

Nemco has a staffed service department and we believe prompt service is extremely important to our customers. Therefore, we request all product service inquiries be handled in the following manner:

- (1) The end user should call the dealer where the equipment was purchased.
- (2) The dealer should collect the following information: end user's name, address, phone number, model number, serial number (if applicable), Sales Order or Purchase Order Number and the nature of the problem.
- (3) The dealer should then call the Nemco Customer Service Department at (419) 542-7751.
- (4) The Nemco Customer Service Department will decide on the most appropriate course of action. If the equipment is deemed to be within the warranty period, the following procedure will be followed. The dealer will obtain a Return Goods Authorization number from Nemco Customer Service. Please be sure to use this number on the box and on paperwork sent with the unit. Return the unit to Nemco. The Nemco Service department will determine if the problem with the unit is a manufacturing defect in material or workmanship. If that is found to be the case, Nemco will repair the unit and return it to the end user. If the

unit is found to not be defective in material or workmanship, the dealer will be contacted to determine the next course of action. If it is deemed necessary to repair the equipment in the field, the dealer should contact the Nemco Customer Service Department to obtain a Service Authorization number prior to service. This service authorization number must appear on the service report that must be forwarded to Nemco. If this procedure is not followed, payment for service will not be reimbursed.
