

The Sharp Commercial Rice Cooker features extra-large capacity, easy to set control, and includes a silicone sheet to prevent any sticking or overbrowning. The Commercial Rice Cooker is perfect for restaurants that want to expand their menu to include rice.

Features

- **Extra Large Capacity** cooks up to 38 6-ounce cups of raw rice, or 120 3-ounce servings of cooked rice.
- **Cooks Quickly** from 30 to 60 minutes depending on kind and quantity of rice.
- **Versatile Uses** include cooking for short, medium, long, long converted and brown rice.
- **Thermostatic Control** maintains even temperature for perfectly cooked rice. Also keeps rice warm with no further cooking.
- **One-Touch Operation** lets you simply depress the cook button to begin full cook/keep warm cycle.
- **Automatic Keep Warm** begins as soon as cooking ends.
- **Easy to Clean** smooth inner bowl washes clean easily; outside wipes clean with damp cloth.
- **Silicone Sheet** protects inner bowl bottom from sticking and over browning.
