FOR THE WAY IT'S MADE.®

# KITCHENAID® PRO 500 SERIES STAND MIXERS THE **POWER** AND **VERSATILITY** OF A **RELIABLE** CULINARY PARTNER

The Flour Power™ Index is a usable calculation that measures mixer power, motor strength, and bowl capacity. The Index measures the maximum amount of all-purpose flour a mixer can effectively mix based on these calculations.

***This mixer has a Flour Power™ Index of 9 Cups.***

## POWERFUL MOTOR

High-performance motor delivers the power to mix everyday household recipes including large batches of batter and dough.

## STURDY DIE-CAST METAL CONSTRUCTION

Rugged, durable, die-cast metal construction delivers years of reliable service.

## 5-QUART STAINLESS STEEL BOWL

Accommodates large batches of dough and batter.

## 67-POINT PLANETARY MIXING ACTION

The beater spirals to 67 touch-points within the bowl for quick, complete mixing.

## 10-SPEED CONTROL

Allows the user to select the right speed for the mixing job, from a slow stir to a very fast whip.

## ACCESSORIES INCLUDED

Burnished flat beater, burnished dough hook, and wire whip achieve a variety of culinary tasks.

## POURING SHIELD

Clear and durable pouring shield fits on top of the bowl to help prevent ingredient splatter. The pouring chute allows easy addition of ingredients and visibility of mixing progress.

## MULTIPURPOSE ATTACHMENT HUB

Hub powers a variety of optional attachments to provide unmatched culinary versatility and convenience.

## EASY TO CLEAN

Seamless design cleans easily with a soft, damp cloth. Bowl is dishwasher safe. Burnished flat beater, burnished dough hook and wire whip should be hand washed.
